CENTRI® HAUL TRUCK KIT Benefits and ROI

A Fleet of 100 will save \$1,232,000 annually!

Say **GOODBYE** to Messy Dust Cup Maintenance!!!

- Eliminate dust in the shop
- Eliminate dust inhalation
- No need to constantly check rubber dust ejector function

Reduce slip hazards and potential recordables!

- Less time on ladders or in man lift / hoists
- One less “to-do” on the P.M. schedule

HUGE Annual Savings!!!

- Reduced air filter usage
- Reduced downtime
- Reduced fuel consumption

ANNUAL SAVINGS (per truck)
after CENTRI® Haul Truck kit
installation:

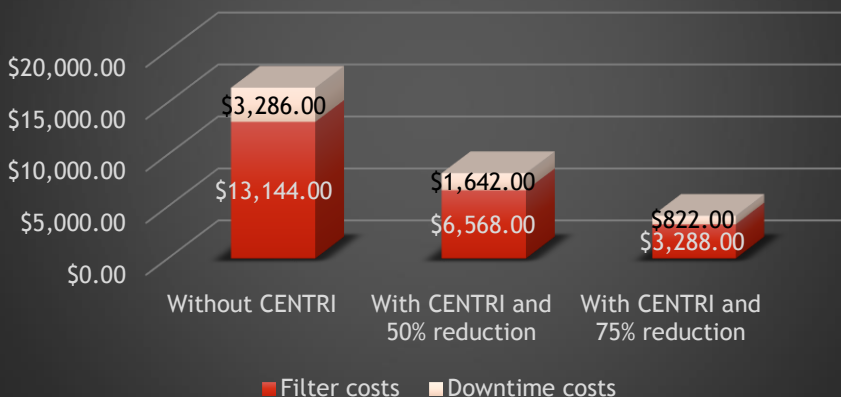

- 1st year savings = \$8,308.00
- 2nd, 3rd, 4th etc = \$12,320.00

(Figures based on 400hr PM's and 18hr days. 75% reduction in air filters used and downtime spent.)

HAUL TRUCK Air Filter & Downtime Costs

Per Subsequent Year after CENTRI® Haul Truck Kit Installation
